After School Program - Union Church is planning a new outreach in the Churchville community and we need your help. As you have undoubtedly seen in the news, students have fallen behind in their studies due to the pandemic. Starting in the next two months, we hope to assist up to 20 elementary students on Tuesday afternoons with their school work. Although we are still working out the details, we need retired teachers and other adults who are interested in helping the young people of Churchville. Training will be available for all who are interested and no one will be working alone. If you can help out or know of others who may be interested, please contact Carol Turkett at cmturk13@gmail.com or #585-315-1569. Thank you for considering this outreach!
